Sir:

In reply to the Examiner's Office Action dated February 4, 2003, the following amendments and remarks are respectfully submitted in connection with the above-identified application.

IN THE SPECIFICATION:

Please delete the paragraph beginning on page 1, lines 19-24, through page 2, lines 1-15, and replace it with the following rewritten paragraph.

--In a case of golf balls used at driving ranges for practicing golf, in which golf balls are hit facing a water surface of a lake, since it is further required for the golf balls to float on water in order to easily collect the golf balls after hitting, it is a necessary condition for the golf balls to have a specific gravity of less than 1.0. The golf ball is an example of
